

# RECREATION: THURSDAY

## SHARE THE LIGHT

### WHAT YOU NEED:

Balloons

### WHAT YOU DO:

Inflate several balloons (5-10)

The goal is for each child to cross the playing area bopping the balloon in the air (without it touching the ground). If the balloon hits the ground, they can pick it up and continue from where they are standing. Once a child makes it to the other side, their teammate will bop the balloon back to the other side. They will pass the balloon back and forth until everyone has made it back.

### WHAT YOU SAY:

Today, we learned how we need to party starters. We can invite others to the party as well. In this game, we're going to keep the balloon bouncing in the air across the play area. Your goal is to pass the balloon to your friend on the other side and he/she can bounce the balloon back.

The story of Jesus was meant to be shared. Don't keep it to yourselves, share with others.
