WHAT YOU NEED: No supplies needed

WHAT YOU DO:

- Divide kids into groups of two.
 - A group of three is fine!

 - If you have a group of three, direct all three kids to link arms behind their backs in a circle.
- Explain to the kids that on your "Go," each group must attempt to stand up without separating or unlinking their arms.
- Encourage kids to work together to figure out how to overcome the challenge of standing up without unlinking arms.
- Say, "Go!" and begin the challenge.
- Offer tips or demonstrate as needed if kids are struggling, but let the kids try to solve the challenge on their own first.

* 1. TOGETHER WE ARE BETTER [TALK ABOUT GOD | BIBLE STORY REVIEW]

WHAT YOU NEED: "Memory Cards" Activity Page

WHAT YOU DO:

- Explain to the kids that the group will play one big memory card game.
- Invite the kids to form teams of two or three.
- Mix up the cards from the "Memory Cards" Activity Pages and place them face down in a grid.
- Instruct the teams to sit around the memory cards.
- Explain the memory card game:
 - Each team will get a chance to flip over two cards during their turn.
 - The team must consult with each other before flipping the cards.
 - If a team matches two cards, they keep the pair and their turn ends.
 - If not, they turn the cards back over, and it's the team to their left's turn.
- Choose a team to start the memory card game.
- Continue the game until all cards are matched, ensuring each team has at least one set of matching cards.
- After all the matches are made, instruct the teams to place their cards face up.
- One card at a time, invite the groups to share how the pictures on the cards relate to today's Bible Story.
- Give each kid a card to take home as a reminder of today's story and Bottom Line.

MONTHLY VIRTUE

**Cooperation—Working together
to do more than you can do alone**

BASIC TRUTH

I need to make the wise choice.

WHAT YOU SAY:

"Who has played a matching game like this before? (*Invite responses.*) This time, you worked as a team instead of playing alone and relying on your memory. How did working together help? (*Invite responses.*) It's always easier when we have others on our team!"

"In today's Bible Story, building the wall was a big job. What other problems did they face? (*Invite responses, like: Sanballat and Tobiah making insults.*) Exactly! When God's people chose to trust God and work together, they finished the wall in just two months! God knows that we can accomplish more together, so God wants us to **work together to solve problems** instead of tackling them alone."

[Make It Personal] (Tell the group about a time when you worked with a group to face a problem. Maybe you were working on a church or home project and ran into some big challenges. Cooperation made solving the problem much easier than working alone.)

3. VERSE TOWER

[HEAR FROM GOD | MEMORY VERSE ACTIVITY]

WHAT YOU NEED: Bibles, and prepared plastic cups

WHAT YOU DO:

- Divide the group into two teams.
- Give each team a Bible and six prepared plastic cups.
- Guide the teams to look up Ecclesiastes 4:9 in the Bible using the Bible Navigation Tips below.

***Finding verses with 2nd and 3rd graders:** Guide them to open their Bibles to the front and find the table of contents. (Hold up a Bible opened to the table of contents to show the kids what the page looks like.) When the kids find the table of contents, lead them to find Ecclesiastes in the list under "Old Testament." When the kids find Ecclesiastes, lead them to look at the page number beside the word. Explain that the number tells them on what page they can find Ecclesiastes. Help the kids find the page. When they find Ecclesiastes, explain that the big numbers on the page are the chapter numbers. Help them find chapter 4. Explain that the small numbers are verse numbers. Help them find verse 9 in chapter 4.*

TODAY'S BOTTOM LINE

Work together to solve problems.

- Direct each team to place the six cups on the floor in verse order.
- Once the cups are in verse order, encourage the teams to read and recite the verse.
- After each group has put the cups in verse order, mix up the cups.
- On your "Go!", encourage the teams to work together to stack the cups into one tall tower in the correct verse order (*put the first word on the bottom*).
 - Instruct the kids to alternate the cups upside down and right side up so the ends match.
- If the tower falls, instruct the teams to recite the entire verse before starting again.
- Once a team successfully builds their tower, end the game.
- Direct the entire group to recite the verse together.

MONTHLY MEMORY VERSE

**Two people are better than
one. They can help each
other in everything they do.**
Ecclesiastes 4:9, NIV

WHAT YOU SAY:

"You did a fantastic job building that tower! Was it easy to work together and get the cups in the correct order? (*Invite responses.*) Our Memory Verse reminds us that when we work together, we can do more than we can do alone. One person might have struggled to stack all those cups or remember the verse, but together, you made it happen."

MONTHLY VIRTUE

**Cooperation—Working together
to do more than you can do alone**

BASIC TRUTH

I need to make the wise choice.

"Friends, God designed us to help each other in everything we do! Like a friend who might cheer you up or listen to something that's bothering you. Or think about how sports teams work together—they work together to pass the ball, or make a goal, or encourage each other when they feel discouraged. Cooperation is all about doing more together than we can do alone. Let's keep our eyes open to see how we can **work together to solve problems.**"
