1:00 HOST: Welcome

- Warm Welcome Back: Greet the campers enthusiastically

5:00 SEGMENT: Kid Share

Have one host go Man on the Street style to ask questions:

- "What's the one thing that happened this weekend that you know you'll be telling your friends and family about for the rest of the year?"
- "Raise your hand if you made a new friend at camp! What's one thing you'll always remember about your new friend?"
- "Besides the games and the crazy fun, what's something you'll miss about BWE the most?"
- "If you had to describe this entire weekend in just one word, what would it be? Why?"

0:00 Hype Squad Intro

Hype Squad enters from various directions. They do their ridiculous greeting, high fives, handshakes, pure stupidity.

- They continue to questions - "Bryce - how would you describe this weekend in one word? Bryce answers with: "Pickles - Because camp is crunchy, salty, and makes your eyes water when you eat too much of it. Just like pickles!"
- "Chris - how would you describe BWE in just one word? Chris answers with: "Banana - Because BWE was totally bananas! And also, if you leave it out too long, it gets all mushy—like my brain after all these games!"
- Speaking of games - Are you guys ready for a game?

8:00 GAME: Team Challenge

- - Small Groups assemble // make sure to be seated before each challenge
- - Bring up a challenge slide and read it aloud to all the teams.
- - When you say "Go!" everyone stands up and the teams race to complete the challenge first.
- - First to Finish Wins! The team that successfully conquers the challenge first earns the point for that round.

0:26 VIDEO: Worship Transition

Hype Squad - that was so much fun. Okay, you all - let's stand to our feet as we get ready to worship our faces off!

4:20 SONG: Can't Stop Singing

0:00 WL - Hunter: Speaking Moment

Amazing, you guys! I can't stop singing, and I don't have to because we're just getting started! Let's slow it down just a little and sing Battle Belongs. Let's sing together!

4:49 SONG: Battle Belongs

1:00 WL - Hunter: Speaking Moment

"How many of you are thankful for something right now? Maybe it's that amazing smores we had on night one, getting to hang out with your friends all day, or just that you get to be here at BWE. It's awesome to be thankful for all those things!

But the Bible tells us that when we truly get how good God is, our thankfulness becomes more than just a quick feeling. It becomes so big that it's the only response we have to all He's done for us. It becomes a way of life.

So with this song, let's make our lives a thank you to God. Let's lift our voices and sing this with everything we've got. Let's show God our "Gratitude."

3:39 SONG: Gratitude

1:00 WL: Prayer

"God, we are grateful for who You are. We're thankful for the ways You've already been moving this weekend—the fun we've had, the friendships we've made, and the ways You've been speaking to our hearts. But we also trust that You're not finished yet.

God, we believe You brought each of us here for a reason. So as we step into this last message, help us not to miss what You want to say. Open our ears, open our minds, open our hearts. Give us the courage to respond, not just to listen.

We thank You now, in advance, for the good work You're about to do. We're ready. Speak to us, Lord. Amen."

25:00 Message

3:27 SONG: Goodbye Yesterday

1:00 HOST: Wrap Up / Dismissal

"Wow. What a weekend! Can you believe everything we've gotten to do together? From the games, the worship, the late nights, the cabin time, the messages—we've laughed, we've played, we've maybe even cried a little, and most importantly, we've met with God.

Here's the truth: Best Weekend Ever doesn't end when you leave camp. What God has done in your heart here—He wants to keep doing at home, at school, with your friends, and in your family. Carry it with you. Share it. Live it out.

So, as we close, I want to say thank you—to our leaders, to the camp staff, and to all of you for leaning in and making this the BEST. WEEKEND. EVER. Let's pray one last time together."
