- Invite everyone to get up + use that energy

1:00 HOST: Welcome

- Warm Welcome Back: Greet the campers enthusiastically
- Recap all the excitement and fun we're having so far.

4:00 SEGMENT: (Host) Kid Share

Have the host go Man on the Street style to ask questions:

- "Give me a cheer if this is the best weekend ever so far! What's the one thing that has made you say, 'This is awesome!' so far?"
- "Let's be real... who here thinks they're running on pure camp energy and zero sleep right now? Raise your hand!"
- "If your cabin had a theme song for the weekend, what would it be called and what's one line from it?"
- "We've had some good food here! Without yelling it out, what's the best camp snack or meal you've had so far?"

0:00 Host: Wrap Up

- Well, all of that was just yesterday and this morning. Today is going to be absolutley crazy. Today we have all of our camp activities, the lake, zip lines, EVERYTHING!
- Most importantly, we're going to continue the conversation around Caring Less, Living More. We want to encourage you to lean in. Listen and open your heart to what God may be wanting to do in your life this weekend. Engage in conversations with your small group and quiet time today!

0:00 Hype Squad

- Hype Squad enters.
- "Did you say Quiet time? More like Not Quiet Time. More like Loud Time! Well, Loud Time NOW... Quite time later. I'm confused."
- Hey give it up for Petra!
- Okay, guys, are you ready to have some fun?

10:00 GAME: Just Dance

- // Select four leaders at random (have kids nominate their leaders by pointing them out // yelling, etc)
- // Explain the premise of the game // just like the video game Just Dance; but in real time
- // Each round is 45-60 snippets // the leaders goal is to go all out
- // At the end of each round, you have a crowd vote on each leader on stage...the leader with the least amount of cheers is sat back down in the crowd
- // the winner of the whole game wins a special prize for their group

- // Here are the round breakdowns:
 - First Round: Can't Stop the Feeling (:59 sec)
 - Second Round: I'll Make A Man Out Of You (:56 sec)
 - Last Round: Dream Hands (1:18)

Hype Squad - "Hey, that wasy fun. Good job everyone! Hey, let's all get to our feet, it's time to worship! Yeah!

3:48 SONG: Alive

Worship team goes right into the first song, no intro here!

1:00 WL - Genevieve Conley: Speaking Moment

I love that song. Great job, everyone! Now that everyone is ALIVE and AWAKE, let's sing our new song, Goodbye Yesterday. I know you're still learning the words and learning the movements, but as you get comfortable, really get into it! Remember, Jesus has saved us from our sin; he's saved us from our mess. Let's sing together!

3:27 SONG: Goodbye Yesterday

1:00 WL - Genevieve Conley: Speaking Moment

That's it. Way to go everyone. Okay, let's wrap this up on a high note. When Jesus changes us, we just gotta tell people, we gotta sing about it. So, with all your yoru energy, let's sing one more song!

4:20 SONG: Can't Stop Singing

1:00 WL - Genevieve Conley: Prayer

Wow! That was fun! Pray with me.

God, you are so good. We are so excited about what you've done. We are so excited to be here at Best Weekend Ever - and we're excited about what you might do in us. I pray for this moment, that we would hear you what you want us to hear... and that we'd respond to what you want us to do! In Jesus name - Amen.

25:00 Message

Dan will wrap up with prayer. Let's play some pad under him as he prays. Petra will come up as he finishes. We're keeping the tone serious, so let's continue the pad under Petra until we dismiss and send them out.

1:30 HOST: Wrap Up / Dismissal

Wow. That's quite a challenge, right? I resonate with what Dan shared. There have been times in my life when I've carried a secret that weighed heavily on me. It wasn't fun. The guilt. The shame. We weren't mean to hold these things. We weren't meant to hide.

So, we're about to dismiss. Here's what you're going to do. We're going to have 30 minutes of quiet time, where you're going to process some of what you've just heard. Your leader is going to give you a quiet time guide and some supplies. Listen, quiet time is just for you and God. You're going to go somewhere as a group, but you're going to spread out. You're going to follow the guide, you're going to read, you're going to pray, you're going to do what the guide says. If you finish early, just hang where you are. Just take the last few minutes to pray, to read some more, just take in God's creation. Your leader will gather you when it's over and you'll go to small group.

Okay? Let's find your groups and leave QUIETLY.
